

REPRESENTING SJS in the NCAA boxing tournament at Penn State this weekend will be three Spartan PCI champions, their coach, Julie Menendez, and two other Gold and White stand-

out pugilists. The three PCI champions and their coach, above, are: (left to right) Dick Bender, 156-lb.; Coach Menendez; Vic Harris, 139-lb.; and Tom Stern, 178-lb.

SJS Streets To Receive New Pedestrian Signals

Traffic and pedestrian signals may be installed on 7th St. between San Fernando and San Carlos Sts. by September 1, Dean of Men Stanley C. Benz said yesterday.

Arthur Philpott, San Jose city traffic analyst, has recently completed a study of the vehicle and pedestrian traffic problems on 7th St. in the SJS area, according to Dean Benz.

Philpott is in the final stages of preparing a report to be submitted to the City-College Liaison committee.

This proposal calls for traffic signals at the corners of 7th and San Fernando Sts., and at 7th and San Carlos Sts. The proposal also recommends three pedestrian signals to be placed on 7th St. They are: (1) near the west end of the Engineering building (2) by the Home Economics building at 7th and San Antonio Sts. (3) in front of the Music building.

The pedestrian signals, suggested in Philpott's proposal, will be so coordinated that they will operate between class periods when students will be crossing the street to change classes.

Spring Sign-up Ranks as Fifth

Completed full-time registration figures shows SJS's quarterly enrollment is fifth highest in the college's history.

The 6681 total released yesterday by Glen Guttormsen, accounting officer, is outranked only by fall and winter quarters 1949-50 and the previous two quarters this year.

It comes within seven of winter quarter's enrollment. Full-time enrollment remains highest of all spring sessions, topping the vet-swollen 1950 spring registration.

Limited enrollment will exceed all prior quarters, too, Guttormsen says.

At 9 o'clock Tuesday evening 947 limiteds had registered.

Musical Program Cast To Rehearse

Dress rehearsal for "The Holy City" will be held tonight at 7 o'clock in Morris Dailey auditorium, according to Gus C. Lease, assistant professor of music.

"The Holy City" will be presented Sunday afternoon at 3:15 p.m. in Morris Dailey with approximately 350 students taking part. Dr. Lyle W. Downey, head of the Music department, will conduct the program. The soloists have been trained by Miss Maurine Thompson, associate professor of music, and Lease. The ensemble also was trained by Lease.

Boxers To Hit Penn State in NCAA Opening

By MIKE KONON

Five San Jose State College boxers will carry the hopes of Washington Square with them when they enter the ring at Penn State tonight for the first round of the National Collegiate boxing championships.

Dick Bender, Tom Stern and Vic Harris, all Pacific Coast Intercollegiate champions, and Joe Rodriguez and John Hernandez will represent the Spartans in the national tourney.

The five boxers, accompanied by boxing Coach Julie Menendez, left Tuesday afternoon for State College, Penn., where the tournament will be held with Penn State as host school.

Stern, PCI titlist, will battle in the 178-pound class in the NCAA. Stern lost his first bout of the season to Don Anderson of Idaho, but swept through the rest of the season undefeated. His ten wins included a victory over Anderson in a return bout.

Bender, team captain of the Spartans, swept through the season with 11 victories and only one defeat. Gordy Gladson, 1952 NCAA middleweight champion, handed Bender his only loss. Bender will be fighting in the 156-pound division.

Harris, the other Golden Raider PCI titlist, will be fighting in the 139-pound class at the NCAA tourney. Harris had a five-win one-loss one-draw record.

Rodriguez was undefeated until the PCI championships when he was knocked over in a preliminary round. A special drive for the boxers and money appropriated by the Student Council enabled Rodriguez and Hernandez to make the trip. Rodriguez will fight in the 132-pound division.

Ineligible last quarter, Hernandez will represent the Spartans in the 125-pound division.

Wisconsin has been established as the team to beat in the 1954 NCAA tourney. San Jose State is numbered among title contenders along with such teams as Penn State, Idaho State, Maryland, Louisiana State, Virginia and Syracuse.

HQ To Inspect Air Unit Friday

The 225-man AFROTC wing will be reviewed by an inspection team from the Air University headquarters of the Air Force ROTC at Montgomery, Ala., tomorrow at 11:30 a.m., according to Col. R. M. Bristol, professor of Air Science and Tactics.

Col. H. H. Bledsoe, Maj. H. J. Schwendler, and Maj. C. H. Rogan of the inspection team will review the group at the drill field, 9th and San Fernando.

The team is scheduled to arrive in San Jose tomorrow morning after inspecting the AFROTC wings at the University of Hawaii, University of California, Stanford and San Francisco State. They will be staying at the St. Claire hotel.

In the absence of Dr. Wahlquist, Dean De Voss and perhaps other members of the faculty will make official calls on the visiting group.

The inspection team will check all facilities of the Air Force Administration and supplies of the regular Air Force detachment, look into teaching methods and visit all the formal classes during their two-day visit, according to Col. Bristol.

During their stay they'll have lunch with the various members of the AFROTC staff.

The public is invited to attend the review and inspection of the wing tomorrow, Col. Bristol announces.

Deans Release Greek Grades

SJS sororities earned a combined grade point average of 1.65 and the fraternities earned a 1.44 for the winter quarter, Miss Helen Dimmick, dean of women, and Stanley C. Benz, dean of men, announced yesterday.

Delta Zeta sorority achieved first place honors with a 1.73 average followed closely by Delta Gamma with a 1.72 average. The third highest sorority was Sigma Kappa with a 1.70.

Council Approves Pope and Gorman As Daily Chiefs

Ed Pope and Bob Gorman yesterday were appointed to the top executive positions of the Spartan Daily by the Student Council.

Pope will serve as editor and Gorman as business manager for the spring quarter Daily.

Named to executive posts on the editorial staff by the new editor

ED POPE

were Herb David, news editor; Joe Bryan, sports editor; Dick Steinheimer, feature editor; Gloria Lo-

BOB GORMAN

renzo, society editor; Bob Striegel, exchange editor, and Bob Smith, photo and wire editor.

Virginia Gauch will head the copy desk staff of Gerald Gandy, Carol Lage and Bob Norris.

Reporters for this quarter will be Elizabeth Bennett, Gene Cagnacci, Gary Engell, Leo Hagiwara, Dick Jones, Edwina Killoran, Mike Konon, Gerald Olsen and Bill Shands.

Gorman selected Jim Hamra to serve as credit manager of the Daily. Other advertising staff members are Joyce Babbe, Beverly Becker, Jim Dehning, Wynn Hoskins and Dave Uribe.

Teachers To Meet

A discussion of the teacher training approval procedure will be held Tuesday, April 13, 3:30 p.m., in Room 24, at a meeting of new education majors and teacher training candidates, according to Mrs. Edith Germane, guidance counselor.

In the fraternities, Pi Kappa Alpha came from 13th place in the fall quarter to first place with a 1.56 average. Phi Sigma Kappa came from 10th place in the fall to second place with a 1.53 average for the winter quarter. Alpha Tau Omega earned third place with a 1.50.

The all-sorority average for the fall quarter was 1.69 and the all-fraternity average was 1.40.

Grade point averages for the remaining sororities were: Gamma Phi Beta, 1.6800; Kappa Alpha Theta, 1.6624; Kappa Kappa Gamma, 1.6334; Alpha Phi, 1.6195; Chi Omega, 1.5836; Alpha Omicron Pi, 1.5550; Alpha Chi Omega, 1.5543.

The grade point averages for the other fraternities are: Delta Upsilon, 1.49; Sigma Pi, 1.48; Kappa Tau, 1.46 plus; Sigma Chi, 1.46; Theta Chi, 1.44 plus; Sigma Nu, 1.44; Sigma Alpha Epsilon, 1.43 plus; Kappa Alpha, 1.43; Lambda Chi Alpha, 1.33; Theta Xi, 1.26; Delta Sigma Phi, 1.23.

Active members of the sororities, 507 in all, achieved a 1.74 grade point average.

During the past quarter, 246 pledges achieved a 1.47 average compared to the 1.27 average of the fall quarter pledges. Fall quarter actives had a 1.70.

Active fraternity members earned a 1.44 average during the fall quarter compared to the winter quarter 1.50, and the fall quarter pledges earned a 1.22 compared to the winter quarter 1.27.

Service Clubs, Perry Confer

Members of four community service clubs will confer with the Homecoming committee this afternoon for what Chairman Vern Perry has termed an "important meeting" to set the time and place for the 1954 Homecoming.

The meeting will be held in the Student Union at 3:30 o'clock.

Representatives of the San Jose Chamber of Commerce, the Merchants Association, Spar-ten and the Alumni Association will attend the meeting to help the committee decide a suitable day and place for the annual festivities.

Perry said yesterday that the downtown service clubs were asked to participate in this year's homecoming because of the "fine support" given last year's event by the city organizations.

Perry hinted that something "unexpected" may come out of the conference and emphasized that all students should attend the meeting because of its importance.

Pratt To Handle Information Board

Lowell Pratt, college public relations director will have charge of all information placed on the new bulletin board in the main building that was donated by the class of 1953, according to a notice from President John T. Wahlquist to the Student Council.

"Anyone wishing to place announcements on the new board should make arrangements with the public relations office," ASB President John Aitken said.

Swimming Open

Recreational swimming is available to women students four hours a week in the Women's gym. The hours are 2:30 and 3:30 p.m. Tuesdays, 2:30 p.m. Thursdays and 1:30 p.m. Fridays.

A heart and foot check must be obtained from the Health Office, if the student is not registered in a P.E. class this quarter.

Lack of Conviction Shown

It has been brought to our attention that the college eligibility rules governing fraternities which were set up by the Personnel committee in the latter part of Winter quarter have already been amended to allow fraternities to initiate members who otherwise would have been ineligible. When the new rules were first passed by the committee they were hailed as a forward and important step in raising the grade point averages of the fraternities, which have been consistently below the All-Men's Average.

Now, instead of holding their ground and making the Greeks realize that unless their scholarship improves, they will begin to lose some of the privileges which they now enjoy, the committee has yielded to a recommendation by the Inter-Fraternity Council and relaxed the requirements which were set up little more than a month ago.

If the requirements for initiation, as originally set up by the committee, had been so stringent that they could not conceivably have been met by the average student, the compromise would have been logical. However, the new rules called only for a prospective initiate to be on clear standing, be carrying a 12-unit load, and have a cumulative 1.0 average and a 1.0 average in the quarter in which he pledged. It seems to us that these rules in themselves are as lenient as a person on the college level should be allowed to meet.

There appears to be no logical reason for the change in the requirements by the committee except that the committee does not have any faith in its own convictions.

President' Council Approves Sabbatical Leave Applications

Dr. John T. Wahlquist announced yesterday that the President's Council approved eight applications for sabbatical leaves in the 1954-55 college year.

The faculty members who will be on sabbatical leave for all or part of the coming year are Dr. Heber A. Sotzin, chairman of the applied arts division and industrial art department head; Dr. Dorothy Kaucher, speech professor; Dr.

Earl W. Atkinson, business division chairman and department head.

J. Wendell Johnson, associate professor of drama; Dr. Ralph J. Smith, Engineering and mathematics division chairman and Engineering department head; Dr. Joseph Cooper, professor of psychology; Dr. Wilbur H. Swanson, bacteriology professor, and Theodore Balgooyen, assistant professor of speech.

Consultant Speaks On Course Plans

Mrs. Christine MacKenzie, educational consultant for the State Department of Public Health, visited the Nursing Education department Tuesday for a conference on the possibility of developing public health nursing courses. Miss Grace Staple, head of Nursing Education department, announced today.

French Honorary Society Initiates

Iota Delta Phi, honorary French society, initiated four new members at the college chapel Saturday, according to Joan Awbrey, president.

They are Arden Allen, Fred Keplinger, Mary Martin, and Marie Menacho. Adviser for the society is Boris L. Gregory, professor of Modern Languages.

Job Mart

Positions with good potentialities for developing into senior jobs in the California Bank are now available for graduates of the Business department, according to a representative of the bank in Los Angeles.

The representative will be here today to conduct interviews. Candidates are to register in the Placement Office, Room 100.

A year of formalized training will be given to the accepted graduates by the bank.

The Twelfth U. S. Civil Service Region, U. S. Army Corps of Engineers, plans to employ 33 graduating engineering students for various jobs in San Francisco, Sacramento and Los Angeles.

Twenty-six civil, three electrical, three mechanical and one chemical engineer are needed. Interviews will be conducted here today.

Applicants may register for interview appointments in the Placement Office.

Card Deadline Is Tomorrow

Immunization cards still are available in the Graduate Manager's Office for students and college employees interested in taking the series of shots offered by the college Health department. Friday is the last day for securing the \$1 cards.

Miss Margaret Twombly, department head, advised those persons who have allergies, or women in pregnancy not to take the series.

New Drill Ground To Be Ready Soon

The new drill area may be ready for use by the first week in May. Building and Grounds Director John Amos said yesterday.

"It all depends on the weather," he explained. "Although the grass looks green and thick, the root structure still is thin and shallow. What it really needs now is some sunshine."

KA's To Give Luau

Swordfish and Hawaiian leis will be the background for a Kappa Alpha Luau this Friday evening. Pledges are having 65 leis flown in from Hawaii for the dinner-dance at Shadowbrook Lodge in Capitola. Swordfish and chicken will be served.

SJS, UC Chi Omega Chapters Attend Eleusinian Luncheon

Chi Omega chapters from San Jose State and the University of California celebrated the sorority's founding Saturday, according to Renee Brouillard, publicity chairman.

Their annual Eleusinian luncheon was held at the Alta Mira Hotel in Sausalito, and Ada Tallman, Pacific Coast representative from San Francisco, spoke to the group.

Alumni attending from San Jose were Mrs. Hazel Stern, president of local alumni; Mrs. G. A. McCallum, and Miss Myrle Shephard, advisers to the SJS chapter.

Program for the affair was presented by the local group. Mary Heffner, president, introduced Cecilia Cross who gave a reading. Miss Heffner led the chorus in "September Song" and "Chi Omega Symphony." Joan DiChristina and Trudy Staples presented the candle-lighting ceremony in honor of the five founders.

The Eleusinian luncheon is held each year in commemoration of the 1895 founding of Chi Omega. Now 59 years old, ChiO is the largest national sorority in the United States, according to Miss Brouillard.

Following the luncheon, pledges took nine actives on a sneak. The pledges drove to Hoberg's where they spent the remainder of the weekend at pledge Shirley Bihn's cabin.

Actives taken on the sneak were Bernice Rapley, Joy Mitchell, Diane Martinsen, Pat Stockholm, Sue Chapman, Pat Leggett, Jackie DiAndrea, Arlene Hames, and Janet Johnson.

Meetings

Kappa Alpha: Rush function tonight at 7:30 p.m.

Alpha Chi Epsilon: Meet in Room 33 tonight at 7 o'clock. Movie. Make favors for Children's hospital.

Alpha Eta Sigma: Meet tonight at 7:30 p.m. at Marimur hall, 27 S. 11th street. Elect president; plan quarter's agenda.

Student Y and Co-Rec: A cook-out today from 4:30 to 7 p.m. Informal.

Through The Dark Glasses

By JOE BRYAN

7 OUT OF 72

Of the 72 Frosh gridders that cavorted under Coach Bob Amaral last fall only seven turned up at the meeting of gridders for the coming spring practice. Coach Bob Bronzan says that this isn't unusual, but that it is a disappointment nevertheless. Scholastic ineligibility and the draft account for the dearth of freshmen, the coach says.

WELCOME BACK, ROY

Roy Hiram, who was the hero of the last minute victory over College of the Pacific in 1952 and had to lay off last year because of injuries, is back in the football fold. Roy, a speedy halfback, will be competing with brother Pat for a place on the team.

WHAT'S AN EGG RACE?

Ed Kreyenhagen and Dick Vogel came around yesterday carrying the trophies which will be offered to the sororities and fraternities for competing in the special events which will be held at Spartan field before the SJS-San Diego Naval Training Station track meet, and we got a chance to ask them about the egg race.

It seems that the girls will be carrying a hard-boiled egg in a spoon and transferring it to other members of the team. We tried to get them to use a raw egg, but they were afraid none of the girls would finish the race if they did. Besides it would mess up the track.

A FAST TRACK

Coach Bud Winter contends that the SJS spring track at Spartan field is one of the fastest in the country. He points out that even with the record for speed that the Fresno track has, most of that school's records have been set on the SJS track, rather than at home. He predicts that times will be fast in Saturday's track meet with the San Diego Naval Training Station.

A FIGHTING PRESIDENT

Dr. John T. Wahlquist disclosed at the Boxers' Banquet recently that he used to box. He said that he still knew how to lead, feint, weave, take it and dish it out. Come to think of it, he must have been a pretty good heavyweight, too.

A GIFT FOR JULIE

Julie Menendez, SJS boxing coach, has been presented a gold inkwell and pen by the boys of the boxing squad. It was a surprise, and Captain Dick Bender did the honors for the team.

HELP FOR BRONZAN

Coach Bob Bronzan will have plenty of help for the spring practice session, the way it looks. In addition to regular aides Bill Perry, Gene Menges and Bob Amaral, Marvin Johnson, former Spartan halfback who scampers for the Green Bay Packers at the present time, will help out. Seniors Larry Matthews and Larry Rice will help with the backs, while Sal Cardinelli and Dale Somers will tutor linemen.

Spartan Judo Squad Boasts High Record

By JERRY GANDY

San Jose State holds the distinction of being the first college west of the Mississippi to develop a complete judo program.

The present judo program, which consists of more than 100 students from all departments on campus, evolved from a class of five police majors in 1946.

In seven years of organized judo under the direction of Coach Yosh Uchida, Spartan judoists have won recognition and acclaim from all sections of the United States and from Kodokan, the official organ of all judo in Japan, where the sport was originated.

One of the outstanding judoists produced on the San Jose State campus is Lyle Hunt, the first collegian in the United States to attain a third degree black belt, according to Bob McCorkle, a member of the Spartan judo team who also does publicity work for the squad.

Hunt has compiled a brilliant record. He won the heavyweight championship in the First National AAU Tournament and was selected as the outstanding Northern California judoist in 1952 and 1953. These honors won him the title of outstanding judoist at SJS in 1952 and more recently a place in the Spartan Hall of Fame.

Uchida's judo teams have been consistently leading contenders for the state championship title. They captured top honors in 1951 and 1952 and shared the championship with the Los Angeles judo club last year. The Golden Raiders also have brought the PAAAU junior championship home in 1952 and 1953. Last spring they took second behind San Jose Buddhist judoists in the PAAAU senior division.

Coach Perry Asks Managers Meet On April 14

The first meeting of all managers of teams planning to enter the intra-mural softball league has been set for April 14, according to Bill Perry, intra-mural director.

All managers of both inter-fraternity and independent teams are expected to attend. Rosters of the teams must be turned in at this meeting.

Roster sheets can be picked up in the Physical Education office starting tomorrow. No rosters will be accepted before the April 14 meeting.

Current plans call for the league to begin on April 19 or 26. No member of a varsity, junior varsity or freshman baseball team can participate in the intra-mural sport. No person winning a letter in baseball or softball can play in the league.

Rules of the league, length of the games and umpiring of the games will be discussed at the first meeting.

Anyone interested in umpiring in the intra-mural league can contact Perry for complete information.

Yearlings Invade Fremont High Pool

Coach Charles Walker's freshman swimming team travels to Fremont High School today for a meet with the Fremont varsity at 4 p.m.

The Frosh are fresh from a victory in a triangular meet with Bellarmine and Lincoln High Schools Monday.

JOHN OLDHAM has the distinction of being the only winning pitcher on the Spartan baseball varsity staff. Oldham has two wins to his credit, including a 2-0 two-hit shutout over University of San Francisco early this week.

Natators Win; Record Falls

The San Jose State College varsity 400-yard relay swimming record fell to three freshmen and one varsity swimmer last night as the Spartan poolmen bested Treasure Island Navy, 54-30.

Three freshmen, Chuck White, Rollo Koivisto and Art Lambert aided by varsity sprinter Dick Threlfall, posted a 3:42.8 time in the relay to break the old record of 3:47.0 set in 1947.

The Spartans started out by taking the 300-yard medley relay with the team of Dick Miller, Jim Anderson and Adrian Jund to leap into the lead in the meet, a lead which they never relinquished.

Threlfall followed with a win in the 50-yard sprint. Jay Flood won the 150-yard individual medley. Bill Bace and Frank Lindstrom placed first and second on the three-meter diving board. Miller took the 200 backstroke, setting the stage for the record.

Varsity Rifle Team To Meet Stanford

The sharp shooters of the San Jose Varsity rifle team will engage in a dual meet with the Stanford University Varsity tomorrow at 2 p.m. at the Spartan range.

Leading the San Jose aggregation will be Bill Rabenstein, Frank Martorano and Arlan Amaral. Rabenstein recently placed sixth with a score of 1383 out of 1500 in the National Rifle Intercollegiate Sectional Tournament fired at the University of California range.

The next scheduled match for the team will be against the University of California on the Berkeley range April 15.

Frosh Net Opener

Frosh tennis will have its initial start today as SJS's yearling netters exchange serves with Hartnell JC at Backesto park at 2:30 o'clock.

Jim Austin, the Spartan coach, stated that the boys are ready to go and that they could easily come out with a team win.

SPARTAN DAILY 3

PE Instructor To Get Degree On June 9

Miss Mary S. Wiley, of the Women's Physical Education department, will officially receive her Doctor of Education degree June 9. Miss Wiley flew east during spring vacation to take her orals at New York University.

For the dissertation, Miss Wiley chose "The Evaluation of Policies for the Organization and Administration of Extra-Curricular Recreational Programs in the State Colleges of California." Last year she took a leave of absence during winter and spring quarters to visit the 10 state colleges in California. She found that the recreational programs vary widely from that found in the smallest college of about 600 students to the largest, San Jose State, with nearly 7000 students.

Other factors that influence the recreational programs are geographic location of the campus and facilities, such as presence of dorms. Some of the people Miss

Wiley interviewed to write her dissertation were deans of instruction, associate deans of student activities, graduate managers, business managers, students and faculty.

"After seeing all of California's state colleges," Miss Wiley concluded, "I'd say it was an enjoyable experience, but I'm very glad to be back at San Jose State."

"FLASH" BROWN'S TWO-HEADED BROTHER

A certain Sophomore named Brown acquired the appellation "Flash," not because he was lightning on the gridiron, but just because he was never without an answer.

You'd pass him on the quadrangle and say "How's it goin', Flash?" He'd answer, "An Express." Get the pitch?

Brown often referred to his "two-headed brother" in conversations. One day a few men in his fraternity were needing him.

"Your brother's two heads must present quite a few problems."

"Not really. The only problem was his neatness," said Flash.

"Neatness?" "Yes," answered Flash, "he worried about it. Said he couldn't find a shirt that didn't wrinkle around the collar. You see, he was often looking in two directions at once, or eating and talking on the telephone. Hard on a collar."

"What did you do?" They knew he did something about it.

"Simple. I got him the Van Heusen Century shirt with the exclusive soft collar that won't wrinkle *ever*! I got him different collar styles and colors. \$3.95 for the white, \$4.95 for the colors and superfine whites. You should have seen the grins on his faces when he saw how those collars stayed neat all day and night without starch or stays."

"I guess he can really hold his heads up now," said one.

"Yep. He figures he gets four times more wear from Century than from other shirts. Of course, he actually only gets twice the wear. He just figures in both heads."

One of the men visited Brown at Christmas, and found it was all true.

DSP Initiates Six Men

Six new members were initiated by Delta Sigma Phi fraternity last Sunday, according to Ron Lopes, president.

Brothers who went through the ceremonies at the college chapel are Arlen Amaral, Henry Benz, Allyn Erickson, Donald Tuff, Richard Haggerty and Dick Steinhe-

mer. Scholarship awards were given to James Shepardson and Charles Waugaman, while Marv Scarper accepted the past president's pin.

Dr. Edward Clements, district governor of the fraternity, spoke on the necessity of good scholarship.

To Interview for Summer Positions

Positions in Los Gatos at the Pied Piper Summer Camp for boys and girls are now open, the Placement office announced recently.

The camp needs men counselors, riding, nature, swimming and crafts instructors and a special activities counselor.

Interviewing is scheduled for tomorrow, April 9, from 10 a.m.

New Sidewalk Construction Begins

New sidewalk construction amounting to around \$2400 is beginning at San Jose State.

According to John Amos, director of buildings and grounds, the new sidewalks are replacing those along San Fernando street from the new Speech and Drama building to South Seventh St. and from to 5 p.m.

Check in the Placement office, Room 100, for appointments.

there along South Seventh to the Industrial Arts building.

The A. J. Raisch Paving Co. is the contracting firm.

WHO GETS THE LION'S SHARE ?

In 1953 the Union Oil Company of California did a \$325,103,000 business. That's big money. Who gets the lion's share of it?

The employees ?

In wages and other benefits, 9,263 Union Oil employees earned \$55,564,000. The average per employee: \$5,998.

The tax collector ?

He did all right, too. Federal and other taxes took \$21,821,000.

(This does not include \$55,239,000 additional in fuel taxes which we collected for the government.)

The stockholders ?

No, the stockholders did *not* get the lion's share.

They were paid \$11,690,000 for the use of their money, plus a dividend of one share of common stock for each ten shares of common held. This was divided among more than 40,000 people.

Well, who did get the lion's share ?

After we replenished working capital by \$20,088,000

(over and above the \$55,564,000 paid employees, the \$21,821,000 that went to the tax collector and the \$11,690,000 to stockholders), the lion's share — or \$215,940,000 — was divided among more than ten thousand companies and individuals we do business with.

Some went for services. Some for materials. Some for wages.

But all of the lion's share of Union Oil's 1953 gross income was reinvested in the American economy.

Maybe it helped make your job a better one.
